

Hello Nursery Children and your Grown-ups,

We hope this finds you all safe and well and that you have had another lovely week.

What have you been up to this week?

As a Nursery Team we have been spending time reading and we know from our recent telephone conversations that many of you have been enjoying stories too, both in books and films.

This next week, have a look on the Home-School grid we sent you and see if you can complete any of the suggested activities. Here are some others too:

- Dress up in ANYTHING from around the house. What sort of character are you? Can you give yourself a name? Describe what you do to your parents. Ask them to ask you questions about your new character. All this imagination will help you to write stories in the future.
- Search on You Tube for 'Amanda Dibble' and enjoy her story telling.
- Also on You Tube is 'Cosmic Yoga Kids' which is a mix of stories and movement.

If you do any of these things, please send a photo and short email to Mrs Halsey in the School Office and in the subject box put: FAO Mrs Hand and she will send it on to me. I/we won't be able to reply but it would be so nice to see what you have been up to. I will also share them with the rest of the team so we all get to see you!

On that note, we thought we would share our love of reading too:

I have been reading this book, which has been written by a friend of mine. All about these lovely properties being used for films or TV.

I am trying to decide which National Trust property to visit when lockdown ends.

I think I might visit Bodnant Gardens in Wales, where The Secret Garden was filmed.

That story was a favourite of mine when I was a little girl!

I wonder where you would choose to visit?

Missing you all

Keep safe

With love from Mrs Worster x

Hello everybody,  
I hope that you are enjoying the sunshine.  
I have been sitting in the garden reading this week, I like to read autobiographies, that is just a big fancy word for a book that someone has written about themselves and what they have done in their life. I hope you have been spending time looking at books or reading with your grown-ups.  
Keep safe and well and I hope to see you soon!  
Love from  
Mrs Kirkpatrick

Hello everyone!

I LOVE reading and my favourite time to do so is at bedtime. Mr Hand bought me a kindle to read from so I don't disturb his sleep!!

At Burman some of the staff are in a book club. Every month we choose a book, we all read it and then we get together to talk about it. We've had to do our last two meetings using What's App though because of the lockdown.

Hope you all enjoy a bedtime story as much as me!!

Love, Mrs Hand x

Hi everyone,

I hope you have been enjoying looking at lots of books while you've been at home.

I have enjoyed reading in the sunshine.

Take care.

Mrs Mullard xx

Wishing you all a happy and healthy Bank Holiday weekend

The Nursery Team
