

We will now be sending weekly sheets to support home learning. These weekly sheets are not in addition to the home learning sheet that was sent out with Parents Evening targets. These sheets will simply break down the home learning content into smaller steps and offer some more specific activity ideas for each objective. If you would prefer to continue working from the longer term home learning sheet in your own way and at your own pace please feel free to do so. 😊

Activity Idea: Foil Sculptures

Use tin foil to wrap and gently mould around a family member's hand taking care to mould it around the fingers and notice how it feels. You could make sculptures of each other's feet, knees, and elbows and set up your own sculpture gallery!

Hello Class 3! Hope you are all well and keeping yourselves busy. 😊 I've been spending lots of time in the garden reading my favourite books, drawing and enjoying

the lovely sunshine! ☀️

I miss seeing your smiling faces. Stay safe, love from Mrs Doherty xx

Hi Class 4! I hope you and your families are well, I am missing you all a lot. I've been keeping busy looking after my Mum and Dad as they are having to stay at home. My Dad will be 90 years old next month and I'm trying to make him a lovely video like yours as it really made me smile! I've also been making lots of new things to help with our learning when we go back to school. Stay safe. Love Mrs Green xx
