

We will now be sending weekly sheets to support home learning. These weekly sheets are not in addition to the home learning sheet that was sent out with Parents Evening targets. These sheets will simply break down the home learning content into smaller steps and offer some more specific activity ideas for each objective. If you would prefer to continue working from the longer term home learning sheet in your own way and at your own pace please feel free to do so. 😊

Maths

Learn to count in 2s, 5s and 10s.

-Use the links to go to BBC Bitesize. There are two videos and two activities on each link that will help you learn about counting in 2s and 5s. <https://www.bbc.co.uk/bitesize/articles/zkqv382> and <https://www.bbc.co.uk/bitesize/articles/zhfjqp3>

-Play Counting in 2s and 5s (SL.1.27b) and Clam Collector 1.15b on abacus.

-Watch and join in with this video, spotting patterns when counting in 2s, 5s and 10s at

English

Week 4 from 11th May on Oak Academy is about listening to and writing a story and includes the weekly phonics and spellings. There is also a lesson on identifying and writing questions, which will be a great recap from when we talked about question marks at school. Here is the link to the five lessons from Week 4.

Keep reading! 😊 If you have run out of books at home, please visit www.oxfordowl.co.uk. You do have to sign up but it's free and they have many books in their e-library.

Activity Idea: Sports Day

If we were at school, we would have taken part in Sports Day by now. Set up your own sports day in the house, garden or park. You could run, hop, skip or make an obstacle race. Challenge each family member to come up with a silly race! You could also make certificates or medals for taking part.

Hello Class 3! I really enjoyed talking to lots of you on the phone last week, and lots of you were in the paddling pool, which made me wish I was! It has been my birthday this week, so I had a cake and these lovely flowers. I hope you and your family are enjoying the sunshine, have fun!

Love Mrs Waring ☀️

Hi Class 4! I hope you've had a great week. It was lovely to speak to some of you last week. I think some of you were a bit busy so if I didn't speak to you this time I shall try again in a few weeks. This week I've been teaching Alfie some new tricks, you can see him doing one of them in the photo – this one is 'dancing' he stands up on his back legs and does a little twirl! ❤️
