

We will now be sending weekly sheets to support home learning. These weekly sheets are not in addition to the home learning sheet that was sent out with Parents Evening targets. These sheets will simply break down the home learning content into smaller steps and offer some more specific activity ideas for each objective. If you would prefer to continue working from the longer term home learning sheet in your own way and at your own pace please feel free to do so. 😊

Maths

Counting to 100

- Click the link <https://whiterosemaths.com/homelearning/year-1/> and watch/join in with the daily lessons from 'Summer Term – Week 6 w/c 22nd June' all about numbers to 100.

or

- Complete Counting in 1s 'Mastery Checkpoint 1.5.3' on abacus.

- For a challenge have a go at the 100 square jigsaws on <https://nrich.maths.org/5572/index>

-For some reasoning look at <https://classroomsecrets.co.uk/counting-to-100-year-1-place-value-free-resource-pack/>

Spellings – remember

spellings need to be spelt correctly within wider writing, not just as part of a test.

1. saw
2. yawn
3. important
4. sweetcorn
5. launch
6. astronaut
7. two
8. some

English

This week's learning on Oak Academy is about recounts with a focus on using the first person and past tense.

<https://classroom.thenational.academy/schedule-by-year/year-1> and scroll down to the five lessons about recounts from WB 15th June. (Oak Academy seems to be working better with Chrome)

If you would like to do something different...one of the topics we didn't get chance to do in English was an author study. We were going to read lots of books by Jez Alborough. If you would like to listen to some of his stories there are lots recorded on youtube and on his website.

Activity Idea: Monster Masks

Use some card, felt tip pens/crayons and scissors to make some monster expressions masks.

You could make enough for all the family and take some monster photographs.
