

We will now be sending weekly sheets to support home learning. These weekly sheets are not in addition to the home learning sheet that was sent out with Parents Evening targets. These sheets will simply break down the home learning content into smaller steps and offer some more specific activity ideas for each objective. If you would prefer to continue working from the longer term home learning sheet in your own way and at your own pace please feel free to do so. 😊

Maths

Length and Height

- Use smaller objects to measure the length or height of objects in your house e.g. how many plates long is your table? How many pieces of paper tall are you? (You might need to lie down to do this). You could also measure your family members and compare. Who is the tallest? Are you taller or shorter than your brother/sister?
- Click the link <https://whiterosemaths.com/homelearning/year-1/> and watch/join in with the daily lessons from 'Summer Term – Week 5 w/c 18th May' all about length and height.
- Then have a go at the problem solving activities on BBC Bitesize <https://www.bbc.co.uk/bitesize/articles/zrq98xs>
- Play Toucan Team 1.8b on abacus.
- For a challenge have a go at 'Comparing and measuring lengths and heights Mastery Checkpoint 1.8.7' on abacus.
- For some reasoning look at <https://nrich.maths.org/4789/index>

Activity Idea: Make up your own exercise routine

Lots of you will have heard about Joe Wicks doing morning exercise routines on youtube for some daily PE. See if you can make up your own exercise routine like Joe and lead your family in a workout! 

Spellings – remember

spellings need to be spelt correctly within wider writing, not just as part of a test.

1. now
2. howl
3. owl
4. mouse
5. house
6. sound
7. once
8. heard

English

This week's learning on Oak Academy is about story writing. Miss Browne will be telling you the story 'A Very Noisy Night' and will help you to remember and retell the story. There is also a lesson on exclamation marks. Click the link... <https://classroom.thenationalacademy/schedule-by-year/year-1/> and scroll down to the five lessons about story writing from WB 8th June. (Oak Academy seems to be working better with Chrome)

If you would like to do something different...one of the topics we didn't get chance to do in English was an author study. We were going to read lots of books by Jez Alborough. If you would like to listen to some of his stories there are lots recorded on youtube and on his website. <https://www.jezalborough.com/>

Year 1

Phonics

Complete phoneme spotter and word sort for ow <https://legacy.phonicsplay.co.uk/member-only/owAltSpellings.html> Username:march20, Password:home

Hello Class 3, I hope you have had a fun week, and you did not get too wet in the rainstorms! We have planted some tomatoes at school, so I hope they grow now! I am so excited to be seeing lots of you again next week! I have been to visit Class 5, which will be your new classroom. It is a lovely classroom and you will be doing lots of interesting things in Year 2!
Love from Mrs Waring x

Hi Class 4, hope you've all had a lovely week. Did you hear all the thunder this week? Alfie was not a happy boy, he ran around the house barking for hours and then had to have a lie down with his fox teddy. 
I am really pleased to hear that some of you are coming back to school next week. I'm sure you will enjoy spending time in your new classroom with Mrs Marshall. I will come and say hello to you at play time. 😊 Love from Mrs Brockie xxx
