

This is the last weekly home learning sheet for this term. Over the summer please continue to read, do some writing, practise your phase 5 phonics and read and write the Year One common exception words. It would also be great if you could continue to practise rapid recall of number bonds to 10 and 20, counting in 2s, 5s and 10s and counting, reading and writing numbers to 100. This will help you to be ready for Year 2 in September. 😊

Activity Idea: Hide and Seek

Such a simple idea but give it a go...play hide and seek! Over the last 6 weeks every Monday afternoon we have gone into the Spinney and done lots of wonderful activities. However, the activity children have enjoyed the most and always ask to do again is play hide and seek!!

Hello Class 3, I hope you and your family are well and keeping busy. This has been the strangest Summer term I can ever remember, but let's hope we all have a good holiday at home and can all come back ready for Year 2. Until we meet again, lots of love, Mrs Waring xxx

Hi Class 3! Hope you are all well! As the school year comes to an end I would like to wish you a lovely summer holiday and all the very best for Year 2. I've been looking through some old photos this week and the photo I am holding is me, age 6 about to start my journey into Year 2! Take care, stay safe and I look forward to seeing you all around school in September. Mrs Doherty xxx

Hello Year One, I can't believe that our school year is coming to an end, but I am so pleased that you will still be here in September for us to catch up. Enjoy your summer holiday, stay safe, keep reading, learning and having fun at home. Love from Mrs Green xxx

Hi Class 4! Well it's been a bit of a strange year but I hope you have enjoyed the home learning and these messages and photos over the last term. I bet it has also been nice to spend lots of extra time with your grown-ups and siblings (and pets) at home! Have a lovely summer and I will see you around school in September. Stay safe! Lots of love, Mrs Brockie and Alfie xxx
