

We will now be sending weekly sheets to support home learning. These weekly sheets are not in addition to the home learning sheet that was sent out with Parents Evening targets. These sheets will simply break down the home learning content into smaller steps and offer some more specific activity ideas for each objective. If you would prefer to continue working from the longer term home learning sheet in your own way and at your own pace please feel free to do so. 😊

Maths

- Click the link <https://whiterosemaths.com/homelearning/year-1/> and watch/join in with the daily lessons from 'Summer Term – Week 7 w/c 29th June' all about ordering numbers, recognising and counting coins **or**
- Have a go at the activities on BBC Bitesize from the week beginning 29th June <https://www.bbc.co.uk/bitesize/tags/zjpqqp3/year-1-and-p2-lessons>
- Play Making Amounts SL.1.20b on abacus.
- For a challenge see if you can find all the possibilities at <https://nrich.maths.org/142>
- For some reasoning look at <https://classroomsecrets.co.uk/recognising-coins-year-1-money-free-resource-pack/>

Spellings – remember

spellings need to be spelt correctly within wider writing, not just as part of a test.

1. play
2. stay
3. plain
4. mainly
5. amaze
6. place
7. they
8. animal

English

This week's learning on Oak Academy is about information texts and creating a creature.

<https://classroom.thenational.academy/schedule-by-year/year-1> and scroll down to the five lessons about recounts from WB 22nd June. (Oak Academy seems to be working better with Chrome)

If you would like to do something different...one of the topics we didn't get chance to do in English was an author study. We were going to read lots of books by Jez Alborough. If you would like to listen to some of his stories there are lots recorded on youtube and on his website.

<https://www.jezalborough.com/>

Year 1

Phonics

Use Dragon's Den, Picnic on Pluto or Buried Treasure to practise ay and a_e <https://legacy.phonicsplay.co.uk/member-only/Phase5Menu.htm> Username:march20, Password:home

Activity Idea: Housebound Treasure Hunt

Create a map of your home and hide small items around it. Mark each piece of hidden treasure on the map for your parents or siblings to find. Then get them to hide items and mark them on the map for you to find.

Hi Class 3! It has been great to see lots of you in school this week, and all your fun T-shirts! We have been doing lots in our Spinney at school, looking at all the trees, making Natural Art with sticks and leaves and making some new paths to explore. Can you make some pictures with natural objects at home?

Love from Mrs Waring x

Hi Class 4! It's been nice to see some of you back in school and I hope those of you that have stayed at home are all ok. I've been keeping busy at school with my pod of reception children, they sing...a lot! I made the home learning sheet this week when I was at home in the peace and quiet. However, Alfie was not being very helpful when I was trying to work, as you can see in the photo. Keep safe everyone. Love from Mrs Brockie and a sleepy Alfie xxx
